

TEENAGE PREGNANCY

The teenage pregnancy campaign is an educational campaign that hopes to reach out to teenagers of both sexes. The programme covers the following topics:

- What is a crisis and a crisis pregnancy?
- The phases of a crisis?
- Falling pregnant unexpectedly
- What are my options and the choices I'll have to make
- Prevention
- STD's and STI's

The facilitators going out to the school were trained by professional in the field.
